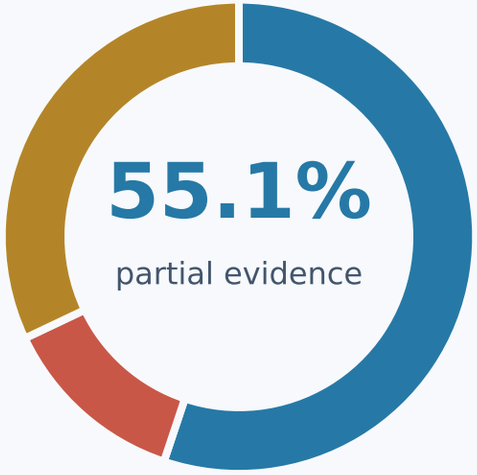
AFTA selected-checklist review

Provisional evidence coverage and open work - not an approval score

78 unique primary entries | 3 optional entries reported separately | duplicate counted once | updated 11 November 2026

Where is implementation evidence?



- Partial evidence: 43/78 (55.1%)
- Gaps / evidence not established: 10/78 (12.8%)
- Need AFTA definition / edition: 25/78 (32.1%)

How much still needs closure?

78/78 have open obligations
0/78 fully demonstrated fit (0%)

Partial evidence is not full compliance. Open obligations are not an estimate of development effort.

Source: user-supplied AFTA identifier list and item-specific source assessment; exact AFTA document/version remains unprovided.
These figures use a different scope/unit from the earlier 199-component dashboard and must not be treated as a progress comparison.
